

Membership matters.

*Turf Australia is committed to support its members, no matter how big or small your turf farm is. We are continuing to look for opportunities to increase the benefits of your membership. **Your membership matters.***

In the past year Turf Australia has achieved the following:

- Secured turf production status as an essential service during COVID-19
- Coordinated the recovery efforts from the NSW floods
- Supported members through the Member Benefits fund

We connect our members with a field of opportunities

- The Women in Turf community provides support for the women in our industry
- Membership of National Farmers Federation, Hort Council
- Partnering with organisations for improved business management and farm safety

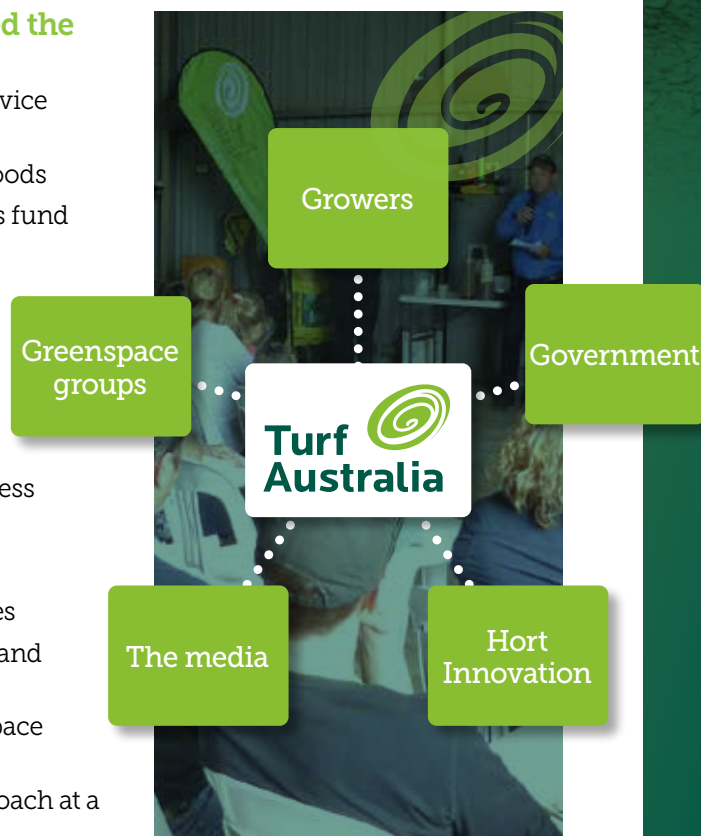

State and National approach:

- State associations are your direct link to local issues
- We work closely with state associations to understand the needs of members
- We are connected with the wider turf and greenspace industries
- We are working towards a common strategic approach at a State and National level

Members of Turf Australia receive immediate access to the following benefits:

Discounted events	✓
Free classified advertising on Turf Australia website	✓
